Why Join? Because YOU can make a difference.

Keep Cleburne Beautiful is a community improvement organization in our City and can help you become a leader in your community! From planting a tree to organizing and entire town cleanup, KCB can give YOU the tools and resources to make a difference! All individuals or groups interested in beautifying, keeping our community clean, green and beautiful are encouraged to attend a meeting and see what you can do to make your City more beautiful and litter free.
