City of Cleburne Commercial Service Agreement

The meter is the property of the City. Only City personnel are allowed to turn the water off or on at the meter. The city of Cleburne is responsible for protecting the drinking water supply from contamination or pollution. The purpose of this service agreement is to notify each customer of the restrictions which are in place to provide this protection, City of Cleburne, Ordinance No. 51.001- 51.004. A deposit is required before starting water service. The deposit is refundable after twelve months of no late payments or it will be applied to your final bill, whichever comes first. The deposit amount will depend on the type of business and the meter size. Contact the Utility Customer Service for the amount. In addition to the deposit there is a \$10.00 processing fee, which is nonrefundable.
