Coming Soon!

You asked, and we listened!

For 2016, we're moving things around to provide our patrons with a better BTW.

The 2 Classrooms across the hall from the Cardio Room are being combined into 1 fully-equipped, Weight Room. With this new addition, we hope our customers are able to enjoy themselves more when they come to our facility!

Also, we are working to bring back our popular Kid's Summer Kamp...with the chance of more summer programming to be added. Check back with us around April by social media or phone for more details.

Last, but certainly not least, we're working to implement more recreational classes for people to participate in here at BTW.

Please stay tuned with us as we live and experience the excitement this year has to offer with our community.
