## Meet City Council

The Cleburne City Council supervises city operations and implements policies adopted by the council. The council consists of four single-member district seats and a mayor.

In the single-member district system, each area elects its own representative. The mayor, however, is elected by all residents eligible to vote.

Cleburne has a council-manager system of government. Under this system, an elected council makes policy and passes ordinances, and the city manager

Council members serve two-year terms. The council meets at 5 p.m. the second and fourth Tuesday of each month at Cleburne City Hall, 10 N. Robinson St. The city hall building anchoring the east end of downtown, formerly housed a post office. The public is encouraged to attend council meetings. For information, call 817-645-0908 or visit [www.cleburne.net](http://www.cleburne.net).

# You're A Shining Star

## No Matter Who You Are!!

*By Brittany Contreras*

**Lt. Linn Goodman recognized for outstanding customer service (March)**

**W**ithin every community there are certain people who stand out as super extraordinary folks. These individuals often become community pillars and a rallying point for those seeking help and solace within the community. We should all strive to be like them. These individuals are what we would like to refer to as STARS (S- Superior Service, T - Through Teamwork, A- Accountability, and R- Respect...S- Second to None!). They go above

and beyond to provide the best customer service you could ever imagine. It's creating more than just a convenience it's creating an experience that far outshines the rest. In 2014, the City of Cleburne Customer Service Team has developed a program to promote this type of service excellence. There are 4 Levels of STAR awards that can be earned. Level 1- Rising star, Level 2- Shining Star. Level 3- All Star, and Level 4- Super Star.

## SPOTLIGHT

Spot a great example of customer service? We want to reward those individuals by personally sharing a token of appreciation as a Rising Star. Shining Star awards are presented to employees when the City receives a citizen comment regarding exceptional customer service or an individual displays stand out customer service and is referred by a Manager or Director.

All Star awards are formal nominations for a monthly award to an employee that displayed excellent customer service. After nominations are turned in, the STAR Committee reviews and votes for the monthly All Star Award. The Super Star Award

Nena Cummins (Streets) recognized for outstanding customer service (February)

is conducted by the STAR Committee reviewing all monthly All Star winners to determine the Super Star of the Year.

As a city we want to stand out as STARS in the eyes of every citizen, business owner and visitor. This means that their experience with Cleburne must be superior. Don't just take pride in what you do, show how your pride can be contagious and bring to light how wonderful this city really can be!

So go out into your community and see if you can catch a STAR!!!

Sharon Casillas (Police) recognized for outstanding customer service (January)
