SEPT. 8-15, 2017

## Be Mindful of Cross Guards

When you have an opportunity, please slow down while driving in school zones. Also keep an eye out for drivers who are NOT stopping for the cross guards that are helping children cross the road.

The cross guards will be working at all Cleburne Independent School District schools, wearing a reflective vest and holding a handheld stop sign.

## Highway 174 North Sanitary Sewer Project

On June 27, 2017, City Council approved a bid from Venus Construction of Mansfield, Texas in the amount of \$3,349,650.94 for the construction of the Highway 174 North Sanitary Sewer Project. The reason behind this project is to provide sewer service to areas in the north city limits and encourage development.

The project will consist of the installation of approximately 22,000 linear feet of sanitary sewer line with pipe sizes ranging from 8" to 24". The construction will begin at US 67 and will extend northward to Lane Prairie.

It is estimated that the project will take eight months to complete with a completion date of April 2018.
