National Night Out 2017

The Cleburne National Night Out will be on Tuesday, October 3rd, 2017. The Cleburne Police Department, along with other area first responders will be at Hulen Park from 6 PM to 9 PM.

National Night Out started in 1984 as a project launched by the National Association of Town Watch (NATW), a nonprofit organization aimed at preventing crime. The NATW partnered with law enforcement agencies and neighborhood watch associations to organize National Night Out. [More info](#)

Cedar Street Project Update

Due to the condition of the existing corrugated metal pipe and the likelihood of failure, the City of Cleburne has begun the installation of a 60-inch diameter high performance storm pipe along Cedar Street and Wendell Street.

The high performance storm pipe will extend approximately 1,135 linear feet to the existing outlet headwall at the corner of Cedar and Blakney Streets. The work also includes installing a junction box and steel pipe to encase and protect an existing 6-inch sanitary sewer line, lowering three (3) existing water mains, installing storm water laterals, asphalt pavement, and approximately 310 feet of channel grading to improve drainage to the receiving stream.

The City of Cleburne has contracted Reytech Services, LLC for this project. The contractor will complete the project within 150 calendar days.

FEATURED EVENT

September 28th 6:00 pm;
World War I series kicks off in conjunction with The Layland Museum. Join us for a talk by Tyler Alberts, Executive Director, Military Museum of Fort Worth. Mr. Alberts will discuss WW I and the installation of Camp Bowie, the Infantry Division, Spanish Influenza. Scenes from PBS series *The Great War* will also be shown.
