Guardian Program Implemented

The Cleburne Police Department has implemented a Guardian Program to assist Law Enforcement during encounters with members of our community who have special needs. This includes persons who are non-verbal or affected by Autism, Alzheimer's, Dementia, or some other mental or intellectual disability. The goal of the program is to provide first responders with critical information designed to help reunite families with registered participants.

ELIGIBILITY

- Participant or guardian is a resident of the City of Cleburne and /or
- Participant attends school or works within the Cleburne City limits and
- Participant may be unable to communicate basic personal information due to a diagnosed medical disorder or
- Participant is prone to wander away or runaway from guardian, residence, or school due to a diagnosed medical disorder and
- Guardian voluntarily submits a completed application and photo with all required medical information.

Participation in the Guardian Program is completely free and voluntary. A completed application, proof of diagnosed disability, and a recent photograph of the participant must be submitted, in person at the Cleburne Police Department. [Read More](#)
