

## Wise Eyes Alert

From the Office of  
Johnson County  
Sheriff  
Bob Alford

# Wise Eyes Alert

---

## Public Service Notice

This alert is directed to those individuals who earn their living driving large trucks. If you drive a truck or know someone who drives a truck please read and share.

TxDOT has placed a weight limit on the bridge located on highway 171 North at Pipeline Road in Cleburne. This is where highway 171 splits off 174 toward Godley. The weight limit that has been placed on the bridge is 20,000 lbs single axle and 25,000 lbs tandem axle.

Commercial Vehicle Enforcement (CVE) Deputies are stopping trucks that are in violation and issuing citations. Most of the drivers are expressing they were unaware the bridge had been "load zoned".

The citations for these violations are expensive. Truck drivers are encouraged to find an alternate route to highway 171 North if their loads exceed the limit for the bridge.

Wise Eyes participants are encouraged to share all Wise Eyes Alerts with friends and neighbors. Anyone wanting to receive the Wise Eyes Alerts, should E-Mail Wise Eyes at [wiseeyes@johnsoncountytexas.org](mailto:wiseeyes@johnsoncountytexas.org) and ask to be placed on the E-Mail list. Please provide your name and either your address or the Johnson County precinct in which you live.

**We are now on Facebook also. Search for Wise Eyes and send a friend request.**
