

NEW RESIDENTIAL GARBAGE AND BULK PICKUP

Great Changes Are Coming to the City of Cleburne Sanitation Services Beginning in July 2012

New automated collection trucks and plastic garbage carts provided by the City will begin serving citizens next month. Delivery of the new carts to residences will begin July 9th. Pickup days and care information will be included. The first cart pickup will be July 30th. Each resident will have once a week trash pickup and once a month bulky item pickup at curbside. See the helpful hints below about the new service dos and don'ts or go on line at <http://solidwaste.cleburne.net> for more details. If you need an additional cart or a bulky pickup outside your scheduled week, call for more information and pricing at (817) 641-2236.

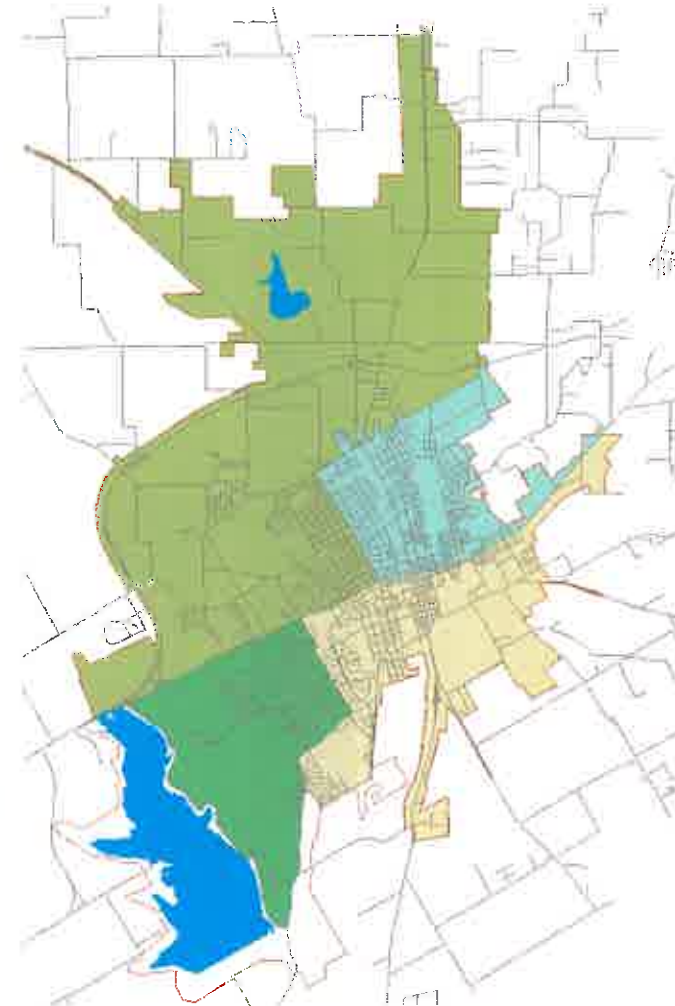

THINGS TO DO:

- Use only City approved carts
- Place cart at curb by 7:00 am on your designated pick up day
- Trash must be bagged and lids completely closed
- Place with wheels facing the residence
- Remove cart from curb by 8:00 pm that same evening
- Store the cart in a location not visible from the street
- Make sure the cart is 3 feet from all obstacles and mailboxes
- If you cannot close the lid on your cart each week, ask the City about an extra cart
- Have your bulky items or limbs at the curb by 7:00 am Monday the week of your bulky item pick up
- Use the recycling drop off at the Transfer Station to help reduce your solid waste volumes

THINGS NOT TO DO:

- Do not overload the cart – the lid must close easily
- Do not paint, mark, abuse or modify the cart in any way
- Do not put hot materials or ashes in the carts
- Do not put any liquid or hazardous waste in the carts
- Do not dispose heavy materials like concrete or construction debris which are beyond the weight capacity of the cart
- Do not place yard trimmings in the cart – these may be taken to the transfer station for disposal or left on the lawn for natural fertilizer
- Do not park vehicles in front of carts
- Do not remove cart from designated address
- Do not put bulky items out at times other than your designated week
