

**PUBLIC SERVICE PROVIDER REGISTRATION
FOR CONSTRUCTION IN PUBLIC RIGHTS-OF-WAY**

In order to protect the public health, safety and welfare, all public service providers desiring to use the public rights-of-way shall register with the City's Engineering Department. Registration in accordance with City Ordinance No. OR-04-2006-46 shall be in the name of the public service provider who will own the facilities. When any information provided for the registration changes, the public service provider shall inform the City of the change no more than 30 days after the date the change is made.

Compliance with this registration requirement does not grant Applicant the right to construct in the public rights-of-way. Applicant must be either a Certificated Telecommunications Provider under Chapter 283 of the Texas Local Government Code or have a franchise, interlocal or license agreement with the City or a statewide cable franchise or be otherwise authorized by law to construct and maintain facilities in the right-of-way. Applicant must obtain a separate construction permit for specific work to be completed in public rights-of-way.
