Digital resources on Webpage. Main is Overdrive.

Trying new vendor Bibliotheca for Cloud Library – wait times are shorter, customers are more pleased, access to 60 libraries by April, user-friendly, should be bigger pool to borrow some. Hopefully start collection by April. Using Overdrive for one more year.

RFID tagging approved. Need to go through to weed, tag, and enter. Need volunteers to help with tagging. Still need to go through to formal bidding process.

Need an author event – open to suggestions and recommendations. Preferably Texas author, semi-known, and a woman.
